No More School for Me!

(Winter version)

One, two, three feet,
Let it snow, or hail, or sleet.
Send it all our way.
Four, five, six feet,
Lovely, frozen winter treat.
We will have no school today.

**We love school it's true, it's true,
But we adore our beds.
We love going off to school
But we'd rather sleep instead!**

One, two, three feet,
We must repeat,
Snow keep falling please.
Four, five, six feet,
This is so neat!
No more school for me.

**We love school it's true, it's true,
But we adore our beds.
We love going off to school
But we'd rather sleep instead!**

***In the winter it is cold, icy winds will blow.
We don't mind the chilly air
As long as there is lots of snow!***

One, two, three feet,
Snow is so sweet.
We will have such fun.
Four, five, six feet,
Pile it high and pile it deep,
Lots of snow for everyone.

**We love school it's true, it's true,
But we adore our beds.
We love going off to school
But we'd rather sleep instead!**

No More School for Me!

(Summer version)

One, two, three weeks,
Bring on summer sun and heat.
Send it all our way.
Four, five, six weeks,
Lovely, golden summer treat.
We will have no school today.

**We love school it's true, it's true,
But we adore our beds.
We love going off to school
But we'd rather sleep instead!**

One, two, three weeks,
We must repeat,
Sun, keep shining please.
Four, five, six weeks,
This is so neat!
No more school for me.

**We love school it's true, it's true,
But we adore our beds.
We love going off to school
But we'd rather sleep instead!**

***In the summer when it's hot,
Barbecues will glow.
We don't mind the summer heat,
Even if there's grass to mow!***

One, two, three weeks,
Summer is sweet.
We will have such fun.
Four, five, six weeks,
Toughen up those tender feet,
Lots of sun for everyone.

**We love school it's true, it's true,
But we adore our beds.
We love going off to school
But we'd rather sleep instead!**
