Écoutez, mes amis, les cloches sonnent: «Din dan don.»

Écoutez, mes amis, les cloches sonnent: «Bonne nuit.»

Tous les filles et les garçons endormis dans leurs lits.

Dans leurs rêves, des aventures que font les garçons et les filles.

Écoutez, mes amis, les cloches sonnent: «Din dan don.»

Écoutez, mes amis, les cloches sonnent: «Bonne nuit.»

Listen friends, listen well, the bells are calling ding dong ding."

Listen friends, listen well, "Good night" the bells do sing.

All the girls and all the boys are sleeping in their beds.

All the girls and all the boys have pleasant dreaming in their heads. *

Listen friends, listen well, the bells are calling ding dong ding."

Listen friends, listen well, "Good night" the bells do sing.
